City, State, Zip Code

Dear Rev. _____:

Church Women United Southern California/Southern Nevada has established a South Bay Area Unit. We are inviting you, the Missionary President of your congregation and three other key women to join us as Founding Charter members of the Church Women United South Bay Area Unit. It is the first Church Women United Unit to be established in the South Bay, Inglewood area. The Executive Board will meet monthly on the 3rd Friday of each month at Iglesias Nuevas de Gozo(Glad Tidings Church), 4454 Lennox Blvd., Lennox, CA 90304, Pastor Teodoro Carreras. Our General Body meetings will be held quarterly on the 1st Fridays of the month, 10am. We will meet at a different church every quarter to network for greater outreach of our mission beginning May 2012. We are conducting three additional organization meetings.

As a Founding Charter Member you and your congregation will be listed as a Founding Charter Member in our quarterly newsletter to begin publication in June 2012, and distributed to our members, pastors, and community partners. We are supporting: I Can Fly International, Kaykenya Center For Excellence, The Guatemala Project, Mothers In Action, Inglewood Area Ministers Association’s Adopt A School Program, and the Tom Mesereau Free Legal Clinic, housed right here in the City of Champions, at Morningside Church. The website for the clinic’s dates is <https://www.mesereaufreelegalclinic.com>. Our membership is eligible to apply for our Institutions of Higher Learning Scholarship Program. Look for details in our quarterly newsletter.

Our membership fee is \$125 per calendar year. Current membership entitles you, your Missionary President, and three other key persons to be registered members, listing in our Annual “First to Serve Leadership” Luncheon Journal, listing in our quarterly newsletter, and private exclusive invitations “For Members Only” activities through out the year.

For an additional one time \$80.00 you will be listed as a Founding Charter Member in the historical records of Church Women United South Bay Area Unit and recognized at our April 2015 Installation. The registration fee for any additional members is \$25 per registration. You will receive a quarterly financial report.

Expect a follow up call within a week from Rev. Joyce Randall, President, 323-424-8669.

We ask that you consider how your membership will make a difference and the impact your participation will have on the community where we live, work, and worship. We have a lot planned and pray your outreach in the City of Champions will include Church Women United South Bay Area Unit.

Sincerely,

**Rev. Joyce Randall
President**
